The Norfolk police to-day captured the burglar who last evening entered the home of Surgeon W. A. Wheeler, of the United Yesterday afternoon a serious and fatal accident occurred on the Atlantic and Danyille railroad at Meherrin river, near Laurenceville. W. H. Price, a young marse in the cotion mills here, had been employed in the freight train was running around a curve near Meherrin river, Price was on flat-car which was loaded with cross-ties. The cart had been carelessly loaded, and while the train was rounding the curve and the curve with them, A very heavy tie fell across his breast, killing him instantly. Other ties fell under the wheels and derailed the flat and box-car. The remains of Price were brought here to might, and will be buried to brought the neutre to brought the curve of the ties fell off, care leg Price with them.
